Re: Assessment Office July Monthly Activity Report

The preparation of the 2019 assessment roll continues to be the center of the activities in the office. Our projected closing date is September 13, and I anticipate assessment notices going out around the first week of October.

Keyed Sales activity year to date show a level below all four previous years that are being reported. The number of sales currently reported reflect an approximate 21% decrease in the number of sales, year over year.

The office generated updates continue to trend below the median level of the four previous years being reported. This is primarily due to more current information on file as well as the decrease in the number of sales. In addition, office generated updates can be somewhat cyclical.

The number of building permits keyed in year to date continue to run well above the 2018 level. Building permits that have been keyed appear to be running at the same level as 2017 which was the high-water mark of the four years that are being reported.

Data collection in the field remains active. The following up on building permits and office generated updates continue to outpace the previous year. Additional information is outlined in table on the following page. The township website has been updated with 142 new photos during the month.

Please remember I am available for any questions or concerns.

Respectively submitted,

Mark S. Dzemske

Nunda Township Assessor

Village of Island Lake			1		1
Village of Oakwood Hills			1		1
Village of Prairie Grove			3		3
Grand Total	5	9	101	25	140

Meet your Assessment Team

Assessor

Mark is your Nunda Township Assessor. Mark was elected your Nunda Township Assessor effective January 1st, 2018 and has been employed by the Nunda Township Assessor's office since 1988. He carries an advanced designation with the Illinois Property Assessment Institute and is a member of the International Association of Assessing Officers, and a candidate for the Certified Assessment Evaluators Designation.

Deputy Assessors

Karen, Kristin and Michael Ann are all very experienced in Real Property Assessment and have extensive backgrounds in the Real Estate Market and Mass Appraisal Valuation. All three deputies carry the designation of Certified Illinois Assessing Officers, which were obtained thru the Illinois Property Assessment Institute.

Data Collection

Mary coordinates our residential data collection. Mary has been with the Nunda Township Assessors office since 2002 and is very familiar with the many neighborhoods in the township. Mary spends most of her time in the field following up on building permits, measuring and listing property characteristics, speaking with property owners and updating property record cards etc.

Office Support Staff

Lisa and Heidi complete your Nunda Township Assessment Team. Much of their time is spent processing Real Estate Transfer Declarations, Building Permits, and generating reports for use by team members. In addition, Lisa or Heidi are typically your first contact when either phoning or visiting the office. The support staff is a key source in the verification of details in the transfers of properties that occur in the township as well as helping residents when applying for exemptions.

Summary

The Nunda Township taxpayers should be very confident in the assessment team that has been assembled to serve their needs. I believe it is one of the BEST in the county and we will strive to continue to improve and provide the taxpayers with the best possible service. Each of these positions are vital components that help to achieve the timely completion of the annual assessment cycle.
